Section 2. Any written designation to terminate authorization for check-off must be received, in writing, by the Employer and the Union by July 1st, and filing of a Notice of Withdrawal shall be effective to halt deductions as of January 1st or July 1st next succeeding the date on which the Notice of Withdrawal is filed.

Section 3. The amount of said representation fee shall be certified to the Employer by the Union within five (5) working days after the signing of this Agreement, which amount shall not exceed eighty-five (85%) percent of the regular membership dues, fees and assessments charged by the Union to its members.

Section 4. The Union agrees to indemnify and hold the Employer harmless against any liability, cause of action, or claims of loss, and to reimburse the Employer for all expenses in defending any claim whatsoever arising out of the implementation of this clause as a result of said deductions.

Section 5. The Employer shall remit the amounts deducted, together with an itemized statement, to the Treasurer by the 15th day of the current month after such deductions are made.

The procedure for implementing this provision shall be governed by Appendix "A" attached to this Agreement.

Section 2. In any civil action or civil proceeding arising out of and directly related to the lawful exercise of a corrections officer's official powers in the furtherance of his or her official duties, the County shall indemnify the corrections officer in the event a judgment for damages is entered against the officer if, in the County's judgment, the acts upon which the damages are based do not constitute actual fraud, actual malice, wilful misconduct, intentional or criminal wrong, or violations of the County Code of Ethics. This provision shall not apply to disciplinary proceedings instituted against the officer by the County.

ARTICLE XXVI

SALARY AND WAGES

Section 1. Annual base salaries, with the exception of the starting salary, shall increase as follows:

- 5% effective January 1, 1994
- 5% effective January 1, 1995
- 5% effective January 1, 1996
- 5% effective January 1, 1997
- 5% effective January 1, 1998

The above salary increases shall be implemented in accordance with the annual salary schedules attached to this Collective Negotiations Agreement as Appendix B, and shall take the form of advancement to the next higher salary level, which advancement shall occur on January 1 of each year of the Agreement. Officers employed by the County as of November 9, 1995, will be placed upon the appropriate salary level based upon the salary they earned as of December 31, 1993, except that such officers first employed in 1994 will be placed on salary level 1 for 1994 and shall advance to salary level 2 effective January 1, 1995, and that such officers first employed in 1995 prior to November 9, 1995, shall be placed on salary level 1 and shall advance to salary level 2 on January 1, 1996. Corrections officers in the employ of the County as of November 9, 1995, who are receiving "off-step" salaries shall receive salary increases of 5% effective January 1 of each year of this Agreement.

Section 2. The starting salary for corrections officers shall remain frozen at \$21,947 for the life of this Agreement. All corrections officers hired after November 9, 1995, shall receive an annual salary of \$21,947, and shall remain at the salary of \$21,947 for their first twelve months of employment. After the completion of twelve months of employment, the officer will

advance to the next higher salary level on the salary schedule for that year. Thereafter, the officer will advance one salary level on January 1 of each year of this Collective Negotiations Agreement.

Section 3. There will be no automatic step movement, salary level movement or automatic salary increases beyond the expiration date of this Collective Negotiations Agreement, i.e., December 31, 1998. All step and salary level movement shall terminate effective upon the expiration of this Collective Negotiations Agreement, i.e., December 31, 1998.

Section 4. Salaries for current officers and newly-hired officers shall be paid bi-weekly on a two-week lagging basis, with the officer's paycheck to be issued two weeks after the closing date of the pay period. Subject to adjustment due to unpaid absences, bi-weekly pay shall be computed by dividing the officer's regular annual salary by the number of pay periods in the then-current calendar year.

Section 5. Effective retroactive to January 1, 1994, any corrections officer assigned to a 5/2 work schedule as defined in Article XXIII, "Work Schedules," above, shall receive additional compensation based upon 14 holidays per year. Specifically, in addition to the 14 days holiday pay provided for in Article V, "Holidays," above, corrections officers assigned to 5/2 schedules shall receive one of the following forms of additional compensation:

- a. 14 additional paid holidays off per year;
- b. monetary compensation equal to 14 additional days of holiday pay; or
- c. a combination of additional holidays and pay such that the officer receives compensation for a total of 14 holidays either in time off or in

additional pay, (e.g., seven paid holidays and seven days of holiday pay; eight paid holidays and six days of holiday pay; five paid holidays and nine days of holiday pay, etc.)

A day's holiday pay shall be computed in accordance with current practice; specifically, the employee's annual base rate of pay divided by 260.

The additional days' pay to which a 5/2 officer is entitled will be computed annually, and any additional days' pay to which the officer is entitled will be paid no later than January 31st of the year next following the year in which such pay was earned.

The County retains the right to decide, on a case-by-case basis, which 5/2 schedule officers will receive additional holidays off, pay in lieu of additional holidays, or a combination of the two.

The additional compensation described in this Section applies to any corrections officer placed on a 5/2 schedule on or after January 1, 1994. Entitlement to this additional compensation ceases if the corrections officer is returned to a 4/2 schedule. If an officer is placed on or removed from a 5/2 schedule during the course of a calendar year, the officer's entitlement to additional compensation under this Section shall be pro-rated based upon a 14-holiday base.

ARTICLE XXVII

SHIFTS, ASSIGNMENT AND REPORTING TIME

Section 1. Whenever assignments and reporting times are changed, corrections officers should be notified at least forty-eight (48) hours ahead of time, circumstances permitting.

Section 2. Officers may bid by seniority for choice of shift assignments. The County shall, however, at all times, have the right to assign officers as needed in order to guarantee such adequate manning levels as the County, in its sole discretion, shall determine. Assignments made under this Section shall not be subject to arbitration under this Agreement.

Section 3. Shift changes must be stable for a period of three (3) months before an employee is eligible to bid for a new assignment.

Section 4. Except as noted below, job assignments become the responsibility of the officer. The County is not responsible for transporting officers to their assignments or getting officers to their assignments on time.

Section 5. Employees who are assigned to one work location and who report to that location will be provided transportation if they are directed by a superior officer to report to another work location.

ARTICLE XXVIII
CLAIMS ADJUSTMENT

Section 1. When an employee's personal property is damaged or lost as a result of an incident arising out of or incidental to the lawful performance of his or her duties as a corrections officer, the County shall reimburse the employee for the replacement value of the property, except as follows.

- A. The County shall only be liable for loss or damage to jewelry or watches up to \$100.00.

Section 2. A claim for any such loss or damage must be reported to the County, in writing, within five (5) days of the loss or damage.

Section 3. At the County's option, an employee submitting a claim under this Article may be required to submit three (3) estimates in support of the claim. In such cases, the County shall reimburse the employee for the lowest estimated value of the claim.

Section 4. Employees who receive full or partial reimbursement from a third party, including insurance, for a claim paid pursuant to this Article must reimburse the County for any amount of money received from the third party.

ARTICLE XXIX

The benefits of this Agreement shall apply only to those employees on the payroll as of November 9, 1995, as well as to those who resigned in good standing, retired or were on medical leave of absence from January 1, 1994 to November 9, 1995. Persons who were terminated for cause or who resigned not in good standing between January 1, 1994 and November 9, 1995, shall not be entitled to benefits hereunder.
